FIT FOR FUNCTION
FIT FOR LIFE

The Central Bedfordshire Canine Trust and this event support and celebrate healthy, happy dogs of pedigree and mixed parentage. We support the Fit For Function, Fit For Life Campaign, coordinated by The Kennel Club.

All judges at this event agree to abide by the following statement:

“In assessing dogs, judges must penalise any features or exaggerations which they consider would be detrimental to the soundness, health and well being of the dog”

DON'T LET YOUR DOG, BECOME A HOT DOG!!!

Your dog is vulnerable and at risk during hot weather and the organiser's offer the following guidance to help guide you through the do's and don'ts travelling to and whilst at this event.

When travelling to the event, please consider the route to the event is going to be busy and leave earlier to avoid increased time in traffic jams. If your vehicle is not well ventilated seriously consider whether travelling to the event is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

At the event, ensure your dog is not sitting in sunlight. There should be plenty of free flowing air around the dog. **NEVER LEAVE YOUR DOG IN THE CAR!!**

Keep the dog in the shade – take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in any unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results.

Please look after your dog's welfare.

**If You Have Any Concerns About Your Dog's Welfare
Speak To An Event Official Immediately!**
